Payment options for the way you serve.

01 **Processing costs, across your locations.**

Compare statements, fees, and payment methods before considering a change.

02 **Pickup, delivery, and catering.**

Review how counter and online payments fit your current POS and order flow.

03 **Equipment, reporting, and support.**

Discuss each location's needs and the practical steps behind any proposed setup.

Start with DeChecco's existing tools.

DeChecco's already offers online ordering, an app, rewards, and gift cards. Those tools belong in the conversation.

Let's talk restaurant payments.

Leave your contact details and our team will follow up about your restaurant's payment needs.
